& child  
industry**

## **AMICOR (ANTI-DUSTMITE)**

Top of the range, luxurious quilted fabric, produced using new concept fibres with anti-dust mite, anti-bacterial and anti-micotic properties. Certified by Nottingham Trent University, the fabric's properties are resistant to frequent washing. Ideal for use for where there may be a history of asthma or eczema.

Luxury bound edges. Cover zips off for machine washing. Available in any size or shape.
